## \* Our Introductions

We are careful to ship only healthy plants, correctly labeled and properly packed. If any mistakes are made, our liability is limited to the purchase price of the plants.

Shipment to Alabama, Florida, Georgia, Louisiana, Mississippi, North Carolina, South Carolina, and Tennessee will be bare-rooted and repacked in peat moss. This limits our shipping dates to these states from November to April. We can safely ship elsewhere the entire year. California customers must add 4% sales tax.
